

**REMARKS**

Reconsideration of this application, as amended, is respectfully requested. The following remarks are responsive to the Office Action mailed November 1, 2005.

**Title Objections**

The title of the application is objected and the Office Action suggests using one that is more descriptive of the claimed invention. Applicant respectfully disagrees. The title perfectly describes the claimed invention. Therefore, Applicant declines to change the title.

**35 USC §102(e)**

Claims 1 and 2 are rejected under 35 USC §102(e) as being anticipated by Boucher et al. (U.S. Patent No. 6,434,620). However, claim 3 was merely objected to and not rejected for being dependent upon on a rejected claim. Therefore, Applicant has incorporated the contents of claim 3 into claim 1, while claim 3 has been canceled.

It is respectfully asserted by Applicant that all presently standing claims are now in condition for allowance.

If the Examiner believes a telephone conference would expedite or assist in the allowance of the present application, the Examiner is invited to call Erik Metzger, attorney for Applicant, at (512) 732-3922.

If any additional fees are due, please charge them to our Deposit Account No.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
